POSTAL SAVINGS BANKS

The postal savings bank bill which, according to dispatches, was favorably reported upon by the Senate Committee on Postoffice and Post Roads, provides for a system of postal savings banks under the direction and supervision of the Postmaster-General. Each postoffice authorized to issue money orders, and such others as the Postmaster-General may designate, will be postal savings bank offices. Deposits in these banks may be made by any person ten years of age or over, a "married woman in her own name and free from any control or interference from her husband," a trustee, parent, guardian, or other person for the benefit of a child under ten years of age. At least $1 is required to open an account, but 10 cents or multiples of that amount may be deposited afterward. No person will be permitted to deposit more than $200 in any month. Two per cent per annum is to be allowed on these deposits. No deposit is to be allowed to exceed $1 000, and no interest is to be paid on any part of a deposit in excess of $500.

The postal savings funds are to be exempt from detention under any legal process against the depositor. They are not to be subject to taxation by the United States Government or any other State.

The Postmaster-General is to deposit these funds in national banks to be designated by him at a rate of interest not less than 2¼ per cent per annum. Such deposits are to be made in national banks in the United States and Territories in which the funds are received, and as far as practicable in the immediate vicinity of the places at which the funds are received. If any bank becomes insolvent such funds are to be a prior lien upon its assets. Additional compensation is to be allowed postmasters at postoffices of the fourth class for the transactions of postal savings bank business at the rate of one fourth of one per cent of the deposits received, to be paid from the postal revenues.

Affords Perfect Security

Foley's Honey and Tar affords perfect security from pneumonia and consumption, as it cures the most obstinate coughs and colds. We have never known a single instance of a cold resulting in pneumonia after Foley's Honey and Tar had been taken L. S. Simmons.

TO THE PUBLIC

Having been appointed Chairman of the Plaza Section of the Woman's Improvement Club, I hereby request all the ladies of the club who are interested in the improvement of our beautiful and historical plaza, to become more interested and active in our proposed work, and attend more regularly to our Plaza Section meetings, so that we can all suggest means and work together. Do our utmost toward assisting our Hon. Board of Trustees in making our plaza an up-to-date park, a park we can be proud of; and which will speak of thriftiness and progress of our community. Nothing will benefit the public so much as to have our plaza improved. Instead of the deserved derision and comments from the visitor and the entire community, let us unite and work, might and main, and assist in transforming the long neglected plaza into a thing of beauty.

Our club intends to raise funds by giving entertainments, social dances, dinners, etc., and a strict bank account will be kept for the plaza and for the plaza only. I hereby urge the club members particularly and any and all non-members to become more enthusiastic and lend their assistance to the Plaza Section and not leave the work to only a few. All who are interested, let them come forward and express and show their willingness in our grand cause. Come one and all ladies. The numerous families represented around the plaza and city limits, should certainly attend our meetings. Time and place of meeting will be made known soon and success be ours.

MRS L. V. EMPARAN,

Chairman Plaza Section, Sonoma Valley Woman's Club.

For Constipation

Object to Strong Medicine

Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine out of every ten cases of the disease are of one or the other of these varieties. When there is no fever and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment to get quick relief. Try it. For sale by L. S. Simmons.

The latest fish story from Imperial valley is that one poultry owner has arranged an automatic fish catcher on the banks of the canal so as to catch fish and throw them over into the chicken yard.

An Insidious Danger

One of the worst features of kidney trouble is that it is an insidious disease, and before the victim realizes his danger he may have a fatal malady. Take Foley's Kidney Remedy at the first sign of trouble, as it corrects irregularities and prevents Bright's disease and diabetes. L. S. Simmons.

Prof. Fortier, chief of irrigation investigation, Department of Agriculture, visited Gridley recently in the interest of irrigation work.

NOT SOON BUT NOW

Buy a lot in the Loustalet's subdivision to City of Sonoma, within a block of the plaza, on main business street. These lots are most convenient business and residence lots in Sonoma.

As a sure and safe investment there's nothing equal to gilt edge real estate—in a growing city.

As a profitable investment nothing equals real estate in Loustalet's sub-division, for these lots are gilt edge and Sonoma is a growng city.

Make a list of the rich men of the State and you'll find the bulk of their fortunes were made in real property—they bought when property was low and sold when it was high.

They were far-sighted—they were careful to buy in locations where trade would naturally go and thus force advance in prices—they bought where public improvements were about to be made, or where the demand for high-class residence property caused a rise in values.

The time to buy is now—to day—while prices are low—at the price made by the original seller.

Don't wait to buy from those who'll buy to-day—make that profit yourself.

Cash or installment—no interest—no taxes. Investigate now before the lots are all sold. Call or address, THE EXPOSITOR, Sonoma Cal.

Notice to Subscribers

Under present regulations of the postal department of the United States, subscriptions must be paid as follows:

Dailies, within three months.

Semi-Weeklies, within nine months.

Weeklies, within one year.

Publishers are prohibited sending papers if subscribers are in arrears more than is stated above. There are not many delinquent subscribers on the Expositor lists, but such as are behind are requested to meet this obligation. If the paper violates the prescribed rules, it is in danger of losing the second class mail privilege, and this would destroy the business of any publication. So, dear reader, please take immediate advantage of this opportunity of obeying the golden rule. If you are in arrears pay up now. Now is the best and proper time. In fact, the only time.

Deserves Support

The idea of improving the plaza in this city with a view of making it an ideal little park, is certainly an excellent one. We somehow have entertained the idea that one of the prime objects of the Woman's Club was the beautification of this historic spot, and certainly, no project for improving our city, would meet with heartier response among the business men and other taxpayers.

Mrs. L. V. Emparan, has an urgent appeal elsewhere in this week's issue. We would suggest that a detailed plan of improvement be adopted and then let everyone work towards the fulfillment of that plan. The Expositor stands ready to assist in any undertaking calculated to assist in that desirable work.

OUR NEW MAYOR

Last Monday evening, April 20, the Board of Trustees of the City of Sonoma, met to canvass the votes of the last municipal election. The result was found to be the same as announced in the Expositor last week. After completing this duty, the old Board adjourned sine die and immediately the new Board was organized by the election of Geo. Breitenbach as president of the board, or, as he is commonly styled, Mayor of Sonoma.

Mayor Breitenbach called the meeting to order and after thanking the members for the honor conferred upon him, proceeded in his characteristic manner, to the business of the hour. All the newly elected officials were sworn in.

Mr. G. H. Hotz, the retiring member of the Board, has served the city faithfully and well for the past ten years and has made an enviable record as a fearless and able trustee. He has, at all times, stood for what he considered the best interests of our city, and our people as a whole, sincerely appreciate his unselfish interests in its behalf. During his incumbency of office, Sonoma has grown and prospered as never before in it's history, and no small part of this growth is attributable to the wisdom and foresight of Mr. Hotz and his colleagues. He can rest assured that the great majority of the people heartily appreciate his services on the Board of Trustees.

Have Resumed Business

Messrs E. C. Woodworth and D. C. Hillingshead, of Glen Ellen, have again opened up the carriage repair and paint shop in that town. They have already considerable work on hand and are doing a good business. Their past work has always given satisfaction.

Court Decides Saloon Case

In the Superior Court Judge Emmet Seawell handed down an opinion in an interesting suit on Thursday. It was in the case of James O'Rourke against the City of Sonoma and its Board of Trustees. The plaintiff sought to recover the sum of $510 paid into the town treasurury under protest by several saloon men as a privilege for dispensing of liquors.

The action hinged upon the validity of an ordinance which the plaintiff claimed was invalid. One of the chief contentions concerning City Trustee John D. Wagnon's title to the office of trustee by reason of his removal outside the town limits. Attention is called by the court to that fact that no court, board or tribunal had declared his office vacant, etc.

The court finds the main question in the case to be: "Can the acts of a de facto officer be attacked in the manner attempted by this proceeding?" On this point the court says:

"Counsel claims that he is not attacking John D. Wagnon's right or title to the office of trustee, but is attacking an ordinance which he assisted in passing. But the validity of the ordinance rests on the qualifications of the incumbent. The right to occupy an office can be questioned in one proceeding only, to-wit, by an information in quo warranto. It must be by direct and not a collateral attack. The authorities of this and other States are a unite on this question. Counsel for plaintiff asserts that incumbent Wagnon is not a de facto officer. An unnaturalized citizen under the foregoing circumstances would become a de facto officer. Such is the positive holding of the Supreme Court of this State. Satterlee vs. San Francisco, 23 Cal. 315; and his official acts, while so occupying an office, cannot be questioned so long as he acts within the scope of official duty. * *

"The court, taking the view as indicated above, makes it unnecessary to decide the other questions raised by the demurrer. The demurrer is therefore sustained."—Democrat.

Nutting-Hocker Nuptials

Samuel Edward Nutting and Miss Clara Louise Hocker, were married last Saturday morning, April 18, at the home of the bride's parents, on Slater St., Santa Rosa. Rev. Wm. Martin of the Presbyterian Church officiated. The parlors were tastefully decorated for the occasion. Only relatives and intimate friends attended.

The bride is the youngest daughter of Mr. and Mrs. G. A. Hocker, and spent most of her life in Santa Rosa where she is very popular with a large circle of friends. For many years she filled very acceptably the position of Secretary of the Sonoma County Sunday School Association.

The groom is a well known business man of the county seat but with his partner, Mr. Stratton, recently purchased the mill and timber of the Healdsburg Mill and Lumber Co., near that city and there Mr. and Mrs. Nutting will make their future home.

The best wishes for a happy and prosperous wedded life are extended to the young couple by their many friends.

Another New Building

Chas. Dal Poggetto has let the contract for another new business block to be built on his lot where the old frame building stands, formerly used as a dry goods store, on Napa St. Mr. Dal Poggetto owns the two stone buildings on either side of the lot on which building will soon commence. A. E. Warriner has the contract. The lower floor of the new structure, will be for store purposes, and the upper floor has been leased to Drs. Leix & Leix, for sanitarium purposes as they are greatly in need of more room. The new rooms will connect with the present sanitarium on the upper floor.

Infant Passes Away

Mr. and Mrs. J. Benone, of the Garibaldi Hotel, have the sincere sympathy of the community in the loss of their infant daughter, Leah, who died last Sunday morning. The funeral took place last Tuesday afternoon at 2 p. m. Services were held in St. Francis' Church, Rev. Father O'Brien officiating. Interment was in Catholic Cemetery.

Distinguished Guests

Co. Superintendent Montgonery, Superintendent of Public Instruction, Edward Hyatt and Richard G. Boone, a noted scholar and lecturer from the East, were guests of F. T. Duhring, on Wednesday. Mr. Duhring secured Geo. Lowell's auto and showed his distinguished guests as many of the beauties and attractions of the valley as possible during their short stay here. They were delighted with their visit here and with what they saw.

The gentlemen returned on the S. P. evening train to Santa Rosa where they are in attendance at the Teacher's Institute.

Land Contest Heard

County Clerk Fred Wright sat as judge on Wednesday at the court house in a land contest matter and heard a great deal of testimony from a number of witnesses. The contest was brought by Warren E. Hunt against Henry F. Tilley. The land contested is located near Agua Caliente. Mr. Wright will file report with the United States Land Office in San Francisco. Considerable interest was taken in the proceedings which took on all the form of a court. Attorneys were present and the testimony was taken down by a reporter.

Teachers' Institute

The 44th Annual session of the Sonoma County Teachers' Institute, ended its sessions to-day a Santa Rosa. County Superintendent DeWitt Montgomery, presided throughout the meeting. The teachers report having had a splendid meeting, very interesting and inspiring and are loud in their praises of Mr. Montgomery for his untiring efforts in providing the excellent program and for his impartial ability as a presiding officer as well as superintendent.

Basket Ball Game

One of the liveliest and most interesting games of basket ball ever played here was witnessed by a large crowd in Union Hall last Saturday evening. "The Wasps" of Berkeley, were matched against the local high school team and proved more than a match for them. However, the Sonoma boys played excellently and succeeded in scorin 20 points against one of the cracker jack teams of the State. The score stood 40 to 20 in favor of the visiting team.

A. E. Sondag, the Tailor

A. E. Sondag, the tailor, formerly of Sonoma, was in the valley this week taking orders for men's tailor-made suits. Mr. Sondag and family are temporarily located in Fruitvale, but the former expects to get permanent quarters for his tailoring establishment in the metropolis, in the near future. For many years he has enjoyed a liberal patronage from this valley and his work always gives satisfaction. Mr. Sondag will make regular weekly trips to the valley and solicits a share of the trade. Give him a trial order for a good suit and you'll be satisfied. ctf.

Jury Disagreed

The jury in the case of the People vs. Roy Stockwell, accused of the robbery of Jas. Modini's Dew Drop Inn several weeks ago, had a hearing in Judge Seawell's court last Thursday. A number of witnesses were summoned from this city. The jury were out for a long time and reported that they could not agree. At first the jury is reported to have stood 6 to 6 but after repeated argument stood 8 to 4 for conviction. The jury were discharged and the further hearing of the matter was set for May 19, next.

Bitten by a Dog

Attorney Frank Sprague was severely bitten in the cheek by a dog on Tuesday. His own dog, "Dan" and another dog were having a heated argument over caged rats and the attorney endeavored to call the fight off. In the scrimmage, one of the combatants bit the peacemaker in the cheek. Which canine is guilty of the crime of assault, deponent sayeth not; in fact, the matter seems to be impossible of proof. The wound while quite painful is not considered serious.

A Successful Entertainment

Union hall was packed to the doors last Wednesday evening, people gathering from all parts of the valley to enjoy the grand entertainment and dance given there under the auspices of the ladies of the St. Francis' church. J. W. Kelly, of Boyes Hot Springs acted as masters of ceremonies and announcer. First on the program was an overture by Masters Howard and Keller who met hearty applause. Little Miss Carida Slater pleased the audience with the sprightly butterfly dance which she did to perfection. Master Soanes won applause in his able recitation of Barbara Fritchie. Geo. Tyler proved that he was no amateur in song and recitation and received encores for his pleasing numbers. Talented Master J. J. Devine, delighted his hearers in comic and sentimental songs. The audience was highly entertained by the singing of Mr. Wm. T. O'Brien (Billy O'Brien), of Boyes Hot Springs, whose comic songs kept his hearers in a continued roar of laughter. He was great. Hearty applause greeted the announcement of a vocal solo by Miss Mamie Kelly. Her clear sweet voice was never heard to better advantage. Billy Hynes, the genial and popular Public Administrator of the metropolis, never disappoints his hearers. His inimitable "laughing song" and other songs and humorous monologues, captures the audience and held them throughout his excellently rendered numbers. James M. Ward, the great Irish comedian, and Miss Gertrude Morris made a big hit in the playing of that mirth provoking drama, "My Irish Molly." All performers were at their best and it is seldom that local people have an opportunity of hearing such high class talent.

After the program, dancing was enjoyed until about 1 o'clock a. m. All who attended are unanimous in saying they never before had so much fun for their money. Those in charge of the affair are entitled to great credit for the unqualified success of the entertainment.

The Young Physician.

WHAT HIS EXPERIENCE PROVED.

In the early sixties it was usually the duty of a practicing physician to ride many miles every day on his regular round of visits upon his patients. In those days a young man who had received a splendid medical training in one of the best medical colleges of that day was accustomed to ride ten, twenty, thirty miles or more visiting the sick and afflicted. His success was soon phenomenal. Doctors and families called him for consultation to towns at considerable distances by rail. His specialty was the cure of those common and distressing diseases of women. He had early discovered that by combining the extracts of the following medicinal plants, in just the right proportion, without the use of alcohol his "Prescription" almost invariably *cured* such cases. Later, in order to place this remedy before the public in a shape easily to be procured, he established a laboratory at Buffalo, N. Y., where regularly qualified chemists were put in charge to accurately prepare his "Prescription" and put it in shape for shipment to all parts of the world. This remedy, which he named Dr. Pierce's Favorite Prescription is not a "patent medicine" but a tonic and nervine for women, and a regular physician's prescription, and contains the following ingredients: Lady's Slipper root, Black Cohosh root, Unicorn root, Blue Cohosh root, Golden Seal root, and chemically pure glycerine.

Dr. Pierce does not claim for his "Favorite Prescription" that it is a "cure-all." It is recommended as a most perfect specific for woman's peculiar ailments. So uniform are the results which follow the use of this remarkable remedy, that it can be truly affirmed of "Favorite Prescription" that *it always helps and almost always cures.* Ninety-eight per cent. of the women who give this medicine a fair and faithful trial are cured and remain cured.

It is a powerful invigorating tonic, imparting health and strength in particular to the womb and its appendages. The local, womanly health is so intimately related to the general health that when diseases of the delicate womanly organs are cured the whole body gains in health and strength. For weak and sickly women who are "worn-out," "run-down" or debilitated, especially for women who work in store, office or schoolroom, who sit at the typewriter or sewing machine, or bear heavy household burdens, Dr. Pierce's Favorite Prescription will prove a priceless benefit because of its health-restoring and strength-giving power.

THE PROOF.

"I want to tell you of the great improvement in my health, since taking your 'Favorite Prescription,'" says Mrs. H. S. Jones, of Forest, N. C. "When I began its use I was a physical wreck and had despaired of ever having good health again. Could not sit up all day. I noted a great improvement before the first bottle was all used. Was suffering with almost every pain that a woman is subject to; had inflammation of the ovaries, painful and suppressed periods, and other symptoms of female disease. After taking six bottles of 'Favorite Prescription' I felt like a new person. Can ride horseback and take all kinds of exercise and not feel tired."

Pierce's Pleasant Purgative Pellets

Only one or two of these tiny, sugar-coated Pellets will regulate, tone up and set in healthy, vigorous action a foul stomach, torpid liver and sluggish bowels. Little Pill, little dose; produce great results. First put up by old Dr. R. V. Pierce, over 40 years ago. Much imitated but never equaled.

TALKS ON TEETH

BY

DR. VAN VROOM

Sixth and Market Sts., San Francisco

It seems a wonderful and impossible thing to the average "plate" wearer that we can put teeth in the mouth and make them stay there firmly without the use of a plate.

Almost the first question put to us by a plate victim is, "How can you do it? and what holds them in place?"

The Alveolar method of putting in teeth is our secret. The fact that we do the work successfully and that it is both beautiful as well as successful, is proof the secret is valuable.

Given two or more teeth in either jaw, tight or loose ones (we make the loose ones tight) and healthy, we promise to put in a beautiful set of teeth, each tooth set independently of its neighbor, the whole forming a piece of work that cannot be told from the best that nature can do.

Will they last?

The question usually follows.

We can show hundreds of cases that have been in upwards of four years and are, if anything, more firmly intrenched today than when the work was finished.

They will outlast those who are wearing them.

Will you come in and let us look your teeth over? The consultation and examination are free.

No obligation goes with it to have any work done unless you wish to employ our services.

If we can enable you to do away with a wabbly, unclean, unsatisfactory, painful plate, wouldn't it be the greatest service that could be done for you?

Half the charge of others.

CAUTION—Look out for imitators and impostors. We have NO OFFICES outside of those given below.

If you cannot call at present, write for information.

"One Touch of Nature Makes the Whole World Kin"

When a rooster finds a big, fat worm he calls all the hens in the farmyard to come and share it. A similar trait of human nature is to be observed when a man discovers something exceptionally good—he wants all his friends and neighbors to share the benefits of his discovery. This is the touch of nature that makes the whole world kin. This explains why people who have been cured by Chamberlain's Cough Remedy write letters to the manufacturers for publication, that others similarly ailing may also use it and obtain relief. Behind every one of these letters is a warm-hearted wish of the writer to be of use to some one else. This remedy is for sale by L. S. Simmons.

The lands near Oroville, which have been dredged for gold and were turned upside down and presented the appearance of a gravel bed more than of agricultural land, are proving to be fairly productive when orchards have been planted on them.

Here is a simple home-made mixture as given by an eminent authority on Kidney diseases, who makes the statement in a New York daily newspaper, that it will relieve almost any case of Kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night; painful and discolored urination, are readily overcome. Here is the recipe; try it:

Fluid Extract Dandelion, one half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.

A well known druggist here in town is authority that these ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure the Rheumatism by forcing the Kidneys to filter and strain from the blood and system all uric acid and foul, decomposed waste matter, which cause these afflictions. Try it if you aren't well. Save the prescription.
